

•• ART CRIME & RECOVERY ••

A Presentation for Industry Professionals

Available for presentation by OTE, Art Crime & Recovery explores the appraisal process, outlines the various definitions of value, and reviews real cases of art fraud and theft.

- What impacts the art market?
- What does a professional appraisal provide?
- How is loss in value determined?
- How should you advise your clients?

Sample Slides:

What Impacts The Market?

- Current popularity of the artist
- Freshness to the market
- Current fashion in art
- Museum retrospectives and gallery exhibitions
- Economic recession

What OTE Did to Establish Fraud

- Consulted with museum curators and noted authors
- Researched auction & museum exhibition catalogues
- Contacted galleries nationwide
- Confirmed findings with director of Smithsonian American Art Museum, D.C.
- Concluded value was \$5,000 as 'in the manner of'
